# MONTEREY CAST STONE MANTLE

**A** beautiful fireplace truly is the Heart of the Home. So furnishing the hearth with elements of quality and style is the foundation of the home's design character and quality.

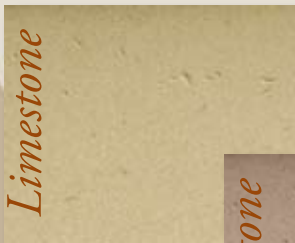

*This is our passion at Hearthside Designs™; the exclusive provider of quality, handcrafted hearth furnishings for Desa Hearth Products.*

The new Monterey Precast Stone Mantle from Hearthside Designs™ is a stately old world design from Colonial Spain. It's definitive presentation makes a bold statement in even the most daunting location.

The Monterey is available in 2 custom finishes which are integral to the stone material and factory sealed. The reinforced concrete construction is exceptionally durable with unsurpassed detail and quality. The Monterey is custom designed for easy installation on the large 48" Fmi™, Vanguard® and Design Dynamics™ brand woodburning fireplaces\*. It features our patent-pending, fool proof installation system which self-centers the mantle and virtually eliminates field cutting, filling and touch up.

*\*See price catalogue for complete details.*
