

FAIRFIELD DIRECT VENT GAS STOVES

Introducing the Fairfield freestanding Direct Vent Stove from Monessen!

With its contemporary style and traditional warmth, the Fairfield will add the natural beauty of fire to any room. Available in two sizes and with up to 30,000 BTUs, the Fairfield offers optional remote controls, allowing you to operate your stove from anywhere in the room. Whether you choose the 24 inch model with the large single viewing window or the 34 inch model with its window of three-sided ceramic glass – you'll be impressed with the Fairfield's durable warmth and timeless beauty.
