

VENT FREE GAS LOGS

WARM WELCOME

Nothing invites or delights like the dancing flames of a fire. For thousands of years fire has been the focal point of hearth and home and, like so many families before, we invite you to sit by ours and enjoy their warmth and beauty.

VENT FREE GAS LOGS

Like our vented gas logs, the vent free gas logs from Monessen offer the realistic look of a wood fire but without the hassle.

Available in a variety of styles, the flexibility of the vent free gas logs from Monessen means that you can install them in any existing firebox without the need for venting — making them a terrific choice for just about any room in your home. A safe and simple alternative to vented fireplace solutions, vent free gas logs from Monessen give you the opportunity to include the ambiance and warmth of fire with the ease of flexible installation.
