## 21" Mini Electric Fireplace

*( Pictured above, model VEF21B )*

The 21" Mini Electric Fireplace, small and elegant, fits anywhere, great for reduced areas.

## DESIGN

Vantage Hearth's Electric fireplaces are the hassle-free solution to add a warm hearth to your home. We are now introducing our brand new, patented LED technology.

- No bulbs to replace
- 75% less energy consumption
- Hassle-free: just plug in and enjoy
- Save on installation and maintenance
- Convenient remote control allows you to adjust heat, back light, embered brightness and flames independently
- Professionally designed arch front
- Fireplace ambiance comes alive through:
  - natural looking logs, cast from hand carved models
  - stunning glowing embers
  - unparalleled realistic flames
- Designed to complement your primary source of heat with 1500 watts (5000 BTUs) of comfortable heat
- Storage nook to place your remote (available on 26", 32" & 36" models)
- If you find a better spot for your fireplace, just unplug, move it over, and you're set!
- Pairs with our beautiful selection of wall and corner HearthSide Designs cabinet mantels available in a variety of styles and finishes
- Available in four sizes, to suit every space need
- Units come with easy to carry handles (21", 26" & 32" models)

## 26" Compact Electric Fireplace

*( Pictured left, model VEF26B )*

The 26" Compact Electric Fireplace can be installed virtually anywhere in the home.

## 32" Large Electric Fireplace

(Pictured right, model VEF32B)

The 32" Large Electric Fireplace has an impressive strong presence enhanced by its new logs, glowing embered and superior flames.

All Electric Fireplaces come with Clear LED control panel lights.

26", 32" & 36" fireplaces feature a convenient storage nook for the remote control.

## 36" Extra Large Electric Fireplace

(Pictured below, model VE36LBHB)

The 36" Electric Fireplaces, truly distinctive, boast a deep fireplace with glowing embers and logs cast from real wood, now with an impressive flame. It includes solid, full-length side nailing flanges, and drywall stops for easy builder installation.
